The Department is recommending adding 16 Director-authorized auction or raffle permits for new multiple-species hunts. The special opportunities include various species permit combinations for deer, elk, moose, mountain goat, California bighorn sheep, cougar, black bear, and wild turkey. The anticipated effect is a substantial increase in revenue dedicated to management of game species. The increased permit levels will not impact wildlife populations.

The Department is also recommending reducing goat raffle permits from 2 to 1.

**Reasons supporting proposal:**

Implement Substitute House Bill 1778 by increasing raffle opportunities for big game and wild turkey, and to generate game management revenue when consistent with the long-term sustainability of wildlife populations.
